

Appendix F Structural Fire Emergencies

A structural fire emergency involves fires occurring at or in airport buildings such as terminals or hangars.

Emergency Contact Information

LA City Fire	911
LACF – Health Hazardous Material Division	(323) 890-4045
Van Nuys Airport Police	(818) 909-3523 or (818) 442-6570
Local Unified Program Agency (UPA/CUPA)	(800) 222-1222
Airport Manager	(818) 442-6500

Alert Notifications and Warnings

Dreamline Aviation, LLC management or a representative will contact all parties listed in the emergency contact information and notify affected tenants at the airport.

Execute Evacuation Plan (**See Section 3.1**)

Response

Los Angeles City Fire Department will be the primary response agency and will assume Incident Command.

Recovery

Building management, Airport Manager, and the public works department will be responsible for returning the DLA offices to normal operations and working with affected building owners to clean up and document actions taken.

Organizational Responses and Responsibilities

DLA Management

- Call 911.
- Take protective actions for employees and the public.
- Evacuate area according to evacuation plan.
- Coordinate response activities.
- Control access to facility until it has been inspected and/or will not impede with emergency response organizations.
- Coordinate news releases with EOD or President, if necessary.

Dreamline Maintenance / Line Service

- Assist with critical services including utility support (activation/cutoff) as needed.
- Provide safety inspections.
- Assist in facility restoration.

Fire Department

Fire department personnel on the scene will serve as Incident Command and will direct all efforts of fire suppression and rescue of individuals involved in the incident. The Incident Commander will assess the situation and ensure that adequate equipment is available for rapid fire suppression, rescue of victims, and transportation of victims to area hospitals. The scene Incident Commander will maintain contact with the Airport Manager.
